SIR:

In response to the Office Action dated September 12, 2002, please amend the above-identified application as follows:

IN THE SPECIFICATION

Please replace the paragraph at page 1, lines 3-6, with the following text:

B1 The present invention relates to substrates provided with a photocatalytic coating, and to the process for producing such a coating and to its various applications.

Please replace the paragraph at page 1, line 36, through page 2, line 2, with the following text:

B2 The aim of the invention is then the improvement of these photocatalytic coatings, being targeted in particular at improving their behaviour on any type of substrate and in
